For more information and to apply online go to [www.1stcloudaccountants.co.uk/contact/apprenticeship](http://www.1stcloudaccountants.co.uk/contact/apprenticeship)

## Ambitious? We are looking to recruit you now! Join our winning team!

As the programme is designed for school leavers and young adults we provide all the training required, so no previous experience is required.

If you are successful in your application all we expect of you is:

- Turn up on time
- Show dedication and enthusiasm
- Pass exams and assessments
- Use your own initiative
- Follow organisation rules and regulations
- Have a keen interest to learn about accountancy and tax

### Pre-apprenticeship training programme (6 Weeks from 1st August 2017)

15 applicants will be accepted on our pre-apprenticeship training programme. A training allowance of £50.00 per week will be paid to all attendees. Training will be provided by Northern Skills Group in their Sunderland training centre. This will be classroom training and give you a full insight into the world of accountancy and will be based around an Association of Accounting Technicians module. During that time you will be expected to attend 1 day per week at one of our offices to see how we operate on a day to day basis. This will include working on live client data, under supervision of course! At the end of the training programme the 5 most successful applicants will be awarded full apprenticeship contracts.

### 3 Year Apprenticeship

Each apprenticeship contract will be awarded for a one year period at a time. If you meet all of our expectations and pass your exams then it is intended that you will progress to the next years training programme. At the end of the three year apprenticeship programme we have historically had a 96% retention rate of you being offered full time continuous employment within the business.

### Full Apprenticeship Contracts Information (Starts Mid-September 2017)

- You will be required to attend college one day per week on a day release basis.
- You will work towards the Association of Accounting Technician Qualification.
- Your contracted hours will be 40 hours per week including college time.
- Your pay will be £150.00 per week during year one, £175.00 per week during year two when all targets are exceeded and your pay will be £195.00 to £225.00 per week in year 3 depending on your age and ability.
- Excellent opportunities to develop and learn using the latest technology.
